

NRCS Assistance Training Disclaimer

- Some of the handouts from this training are NOT NRCS produced documents. Some are written from an SWCD employee's perspective with the intention to aid other SWCD employees in performing assigned FA Program tasks and duties. Therefore, questions about and clarifications of any of the tasks and duties within the handouts should be directed at your local NRCS staff and any such directions and clarifications should supersede the comments and explanations contained in the handouts.
- Terms used in the handouts may not be official NRCS terminology and/or may be terminology that could change in the future—especially with the roll-out of Conservation Desktop.
