# Exhibitor & Sponsor Guide

## Join us for the 2021 Annual Meeting!

AISWCD's member districts gather each year to conduct association business, attend training seminars, network, and socialize. The two-day event can provide you with the opportunity to network with conservation professionals, landowners, partnering organizations, and government agencies. It also provides a venue to discover new services, technologies, and programs. We are excited to offer cost effective promotional and advertising opportunities!

### Become an exhibitor!

Make an introduction! If your agency, business, or organization is looking to introduce your programs, products, or services to conservation leaders, this is the place to do so! Exhibitors will be placed in visible, high traffic common areas along with other vendors. These areas provide special value - it is where attendees take breaks, refresh, and socialize! Each exhibitor space includes one skirted table and two chairs. Acknowledgement will also be provided in printed materials and online.

**Non-profit or Government Agency: \$350 | Commercial Business Rate: \$500**

### Become a meal sponsor!

The AISWCD Annual Meeting offers two meal sponsorship options. The benefits of sponsorship include; table recognition on 100 tables, signage placement options, and your name and logo featured in the conference program and various points elsewhere throughout the event.

**Stewardship Breakfast ... \$2,000**

Attendees kick off the second day with a fun filled breakfast featuring an entertaining guest speaker.

**Awards Luncheon ... \$2,000**

The AISWCD's award recognition luncheon recognizes outstanding conservationists who make a difference! Additionally, this is where the Lawmaker of the Year and Friend of Conservation Awards are bestowed!
