

FARM FAMILY OF THE YEAR AWARD

AISWCD | www.aiswcd.org

PURPOSE:

The object of this award is to provide recognition to an outstanding conservation farm family in each Illinois Soil and Water Conservation District that exemplifies Total Resource Management.

The AISWCD Awards Committee will select a Governor's Award winner. Selection will be completed prior to and announced at the AISWCD Annual Meeting/BLWR Summer Conference.

ELIGIBILITY:

- Open to all landowners and/or operators who are soil and water conservation district cooperators.
- Previous LUC winners will be eligible to reapply in the fourth year following their selection as a winner.
- Former Governor's Award winners are permanently ineligible.
- Only districts in good standing with AISWCD are eligible to compete at the state level competition.
- Entry includes information on all land operated by the owner-operator or the tenant operator.
- Only complete entries will be accepted.

ORDER OF ENTRY:

Entries should be typed and sent to Ashley.Curran@aiswcd.org by June 7, 2024. Unusual circumstances will be scored at the discretion of the judges with all decisions final.

- Completed, signed entry form
- **Section 1:** Nominee & Land Overview
- **Section 2:** Conservation Activities - aerial photos of fields delineated out and a copy of the nominees/landowners FSA 1026A.
- **Section 3:** Overall Farm Efforts
- **Section 4:** Signed and typed nominee's essay, not to exceed 2 pages, single spaced, 12-point font. Must address in separate paragraph (25 words or less) nominee's conservation philosophy.
- **Section 5:** Typed and signed Soil & Water Conservation District letter of support, not to exceed 2 pages, 12-point font explaining how nominee(s) has contributed to your local conservation efforts and overview of nominee's general farm husbandry.
- **Section 6:** Approximately 8-10 color photos showing family, homestead, conservation practices, etc. with narratives displayed in binder. Photos submitted must be jpg, bmp or tiff format on USB drive along with narration in a Microsoft Word document. Photos placed in PowerPoint or Word document will be accepted if pictures can be cut/pasted into another document.

FARM FAMILY OF THE YEAR AWARD

AISWCD | www.aiswcd.org

Please note: The more information provided in the narratives provides AISWCD more information for inclusion in the awards presentation ceremony.

JUDGING | GUIDELINES FOR DISTRICTS

Each SWCD should submit their Conservation Farm Family from the entries received at the local level. Only entries completed on the current entry form will be accepted. Entry must include items listed in “Order of Entry” found on page 1 and 2. Districts may announce their Conservation Farm Family after local selection.

Deadline: Entries sent to Ashley Curran- ashley.curran@aiswcd.org by June 7, 2024.

AWARD PACKAGE:

Each of the winners will be honored at a hospitality hour and awards banquet during the AISWCD Annual Meeting. During the conference each winner (only one family per entry) will receive the following:

- One (1) room for lodging Monday night
- Four (4) complimentary award banquet tickets
- A plaque of recognition
- It will be the responsibility of the SWCD to pay for additional plaques if nominee consists of more than one person/family.
- The overall winner will receive the “Governor’s Award” during the awards banquet.
- Recognition at the Illinois State Fair as part of Ag Day festivities.

SECTION 1: NOMINEE & LAND OVERVIEW

1. List the number of acres for each of the following and enter “0” if an item does not pertain to nominee.

Total Acres (FSA plus farmstead acres)	
Highly Erodible Land	
HEL at or below “T”	
Standard soil testing program	

Tillable Cropland	
Non-Highly Erodible Land	
NHEL at or below “T”	
Nutrient Management	

2. List residue percentage amounts required by conservation farm plan after each crop rotation for most of nominee’s HEL acres and list tillage method (e.g. soybeans after corn = 30% residue, mulch-till; corn after soybeans = 40% residue, no-till).

3. List residue percent amounts left after each crop rotation for most of nominee’s NHEL acres and list tillage method (e.g. soybeans after corn = 30% residue, mulch-till; corn after soybeans = 40% residue, no-till).

4. Select soil types that apply to nominee’s land and give approximate percentage of each.

Timber _____ Prairie _____ Hydric _____

5. Score the nominee using a scale of 1-5 with 5 being “excellent” and 1 being “poor.”

a. Follows and utilizes Best Management Practices such (but not limited to) conserving water, eliminating or reducing soil erosion, integrated pest management or other pesticide or herbicide management, maximizes animals’ such living conditions and veterinary care	
b. Stays current with and implement new and innovative technologies	
c. Demonstrates a history of maintaining a conservation plan and consistently implementing it	
d. Demonstrates a commitment to conservation by investing their own resources in implementing practices and has sought sources of support other than NRCS	
e. Demonstrates good stewardship such as placing conservation easements on land, allowing public and multi-use access, building trails, maintaining wildlife habitat	

FARM FAMILY OF THE YEAR AWARD

AISWCD | www.aiswcd.org

f. Participates in educational programs such as 4-H, allows tours or conducts demonstration events, participates in the community including donating to food banks, schools, or contributing to other groups or other events	
g. Demonstrates leadership by participating in community, government, and nonprofit or grassroots groups and furthers their work	

SECTION 2: CONSERVATION ACTIVITIES

1. Add recent FSA Aerial Photos (Arc View acceptable) with farm fields delineated out.
2. Add copy of nominee's current FSA 1026A
3. List nominee's acres in the following conservation practices:

Pasture w/out rotational grazing	
Timber w/out livestock exclusion	
Wetlands (shallow water areas, bogs, marshes)	
Streams w/out livestock exclusion	
Ponds w/out livestock exclusion	
Waterways	
Riparian Buffers	
Streambank Stabilization Practices	
Diversions	
Farmstead/Field Windbreak	

Pasture with rotational grazing	
Timber with livestock exclusion	
Prairie	
Streams with livestock exclusion	
Ponds with livestock exclusion	
Terraces	
Filter Strips	
Wildlife Habitat	
Field Border Strips	
Total Acres	

4. List the number of practices the nominee has completed for each type of practice listed.

Grade Control Structures	
Abandoned Well Sealing	

Water & Sediment Control Basins	

5. Briefly describe nominee's livestock waste management or animal waste system, if applicable.

FARM FAMILY OF THE YEAR AWARD

AISWCD | www.aiswcd.org

6. Evaluate nominee's involvement in the following areas:

- Yes No All tillable cropland must be at or below Tolerable Soil Loss level
- Yes No Residue Management must be practiced on all tillable cropland
- Yes No Demonstrates a history of maintaining a conservation plan & consistently implementing it
- Yes No Cooperator demonstrates participation in conservation programs and uses conservation technical assistance

SECTION 3: OVERALL FARM EFFORTS

1. What specific accomplishments have the various members of this family made to better their farm/land and community?

2. How do the members of this family work together to make their farming operation viable & sustainable? List specific examples.

3. Tell how nominee's farm has been used to demonstrate to others in the community the problems & solutions in pollution abatement & environmental enhancement. Explain other ways the nominee helps publicize conservation and natural resources.

FARM FAMILY OF THE YEAR AWARD

AISWCD | www.aiswcd.org

4. Describe condition of the nominee's farm when they started and its current condition.

5. Identify the soil & water resource management problems found on nominee's farm. Describe the innovative, as well as traditional, conservation techniques they have used to address these problems.

6. List participation, offices held, awards presented to nominee in conservation/farm organizations (e.g. SWCD, Farm Bureau, etc), local community organizations, church, 4-H or FFA.

7. Attach any additional information to supplement this section such as newspaper clippings, etc.
